RIO WOVEN WOODS

EDGE BINDING COLOR REFERENCE

Edge binding puts a finishing touch on woven wood shades. Choose a coordinating color against your selected woven wood fabric or a contrasting color for a bolder designer look.

2 & 4 INCH SOLID EDGE BINDING COLORS

3 3/8 INCH DECORATIVE EDGE BINDING COLORS

6 INCH DECORATIVE EDGE BINDING COLORS

SPECIAL NOTES

- 2 inch edge binding - 1 inch of the fabric will show on each side of the shade
- 4 inch edge binding - 2 inches of the edge binding will show on each side of the shade
- 3 3/8 inch width - Approximately 1 1/2 inches of the edge binding will show on each side of the shade
- 6 inch edge binding - 3 inches of the edge binding will show on each side of the shade
